

Call for abstracts

November 25-28, 2025

1st Biennial ESIS-CSIC
Conference on
Structural Integrity Hotel Metropol Palace, Belgrade, Serbia

A word from chairmen

The European Structural Integrity Society (ESIS) and China Structural Integrity Consortium (CSIC) join forces to pioneer the biennial ESIS-CSIC conferences on Structural Integrity (BECCSI). Established post the Memorandum of Understanding signing during the 2024 International Symposium on Structural Integrity (ISSI2024), this collaborative initiative will rotate between Europe and China, commencing in 2025 in Europe. The inaugural event will be hosted in Belgrade, Serbia, organized by the Serbian Structural Integrity Society (DIVK). Together, we aim to elevate the standards of structural integrity practices and welcome professionals worldwide to engage in this transformative journey.

**Prof. emeritus
Aleksandar Sedmak**
Faculty of Mechanical
Engineering,
University of Belgrade
President of ESIS

**Prof. dr.
Shan-Tung Tu**
East China University
of Science
and Technology
Chairman of CSIC

Important dates

Abstract submission deadline: **August 31, 2025**Notification on abstract acceptance: **by September 10, 2025****Early bird registration deadline: September 1, 2025**Conference: **November 25-28, 2025**Full paper submission (for PSI): *after the conference..date to be announced*

Conference topics

Presentations and posters will cover a range of fracture and fatigue topics with a special focus on:

- Structural integrity for advanced manufacturing
- Reliability-centered manufacturing
- Fatigue and fracture under extreme conditions
- Innovative non-destructive testing and monitoring techniques
- Multi-scale material testing, modelling and analysis
- Structural health monitoring and life extension
- Artificial intelligence and big data
- Numerical simulation of fracture and fatigue process
- Engineering damage mechanics
- Aircraft mechanics and control

Accepted abstracts will be available in the Book of abstracts, while the peer-reviewed papers will be published in a Special Issue of the Open Access Procedia Structural Integrity, published by Elsevier.

Extended versions of selected papers will be invited for Special Issue in (to be announced) ESIS affiliated journals by Elsevier and Structural Integrity and Life (DIVK) journal.

Plenary lectures

Prof. Filippo Berto
Sapienza University of Rome
Italy

Prof. Jianying He
Faculty of Engineering, Norwegian University
of Science and Technology
Norway

Prof. Milos B. Djukic
University of Belgrade, Faculty of Mechanical
Engineering
Serbia

Prof. Tong Liu
Department of Nuclear Science and Engineering,
School of Mechanical and Power Engineering,
Shanghai Jiao Tong University China

Prof. Jacques Besson
Centre national de la recherche scientifique
France

Prof. Binhun Sun
School of Mechanical and Power Engineering,
East China University of Science and Technology
China

Prof. Sabrina Vantadori
University of Parma, Italy
Prof. Francesco Iacoviello
University of Cassino and Southern Lazio
Italy

Prof. Li-Xun Cai
School of Mechanics and Aerospace Engineering,
Southwest Jiaotong University, Chengdu
China

Dr. Shuyan Zhang
Centre of Excellence for Advanced Materials
China

About Belgrade

Serbia's capital, Belgrade, is one of Europe's oldest cities. Ruins of a Neolithic settlement have been unearthed nearby, while the first settlement on the site of the modern city was the Celtic town of Singidunum, which was built here in the 3rd Century BCE. Grandiose coffee houses, quirky sidewalk ice-creameries and smoky dens all find a rightful place along Knez Mihailova, a lively pedestrian boulevard flanked by historical buildings all the way to the ancient Kalemegdan Citadel, the crown of the city. The old riverside Savamala quarter has gone from ruin to resurrection, and is the city's creative headquarters. Deeper in Belgrade's bowels are museums guarding the cultural, religious and military heritage of the country.

Registration and fees

	Early bird fee before September 1	Regular fee after September 1
Regular participant	520 EUR	550 EUR
ESIS / CSIC member (regular member)	470 EUR	500 EUR
Student	360 EUR	390 EUR
ESIS / CSIC member (student)	320 EUR	340 EUR
Accompanying person	120 EUR	120 EUR

Travel and accommodation

We provided special offers of accommodation near conference venue for conference participants through our Travel Management company.

You need an airline ticket(s) and airport transfer?

Our Travel Management company can provide that to at best prices!
